Even the most temadous advocates for gun ownership must admit some of the dangers that fifereams present. Since this was her first time debating on stage and before an audience, Dirs voice was timorous and quiet for the first 10 minutes. After work, I was expecting my colleagues to be enthusiastic about the outing, but I found them in a state of complete torpor. Because the logic behind McMahon's side of the debate was so tortuous, his audience came out either completely confused or, worse, feeling they'd been tricked. Compared to middle school students, who have an untamed wildness about them, high school students are somewhat more tractable. The unpredictable and transient nature of deja va makes it a very difficult phonomenon to suitly properly. What I expected to be an intelligent, nuanced historical documentary turned out to be a poorly-produced travesty of the form. Even though Jesse James was an outse, his killer, Robert Ford, is remembered more for his treacherous actions than for eliminating a criminal and murder. The bridge bulk from twice and vive is treacherous to wask across, and so I think I will stay put right here.			
tempered tenacious timorous torpor tortuous tractable transient travesty treacherous treacherous trite	the trait of avoiding excesses. moderated in effect. stubbornly unjeiding. timid by nature or revealing fear and nervousness. inactivity resulting from lethargy and lack of vigor or energy marked by repeated turns and bends; not straightforward. readily reacting to suggestions and influences; easily manal lasting a very short time. an absurd presentation of something; a mockery. tending to betray. dangerously unstable and unpredictable. repeated too often; overfamiliar through overuse.	noun adjective adjective adjective y adjective	Welles wasn't known for his temperance—he usually ate enough for two and drank enough for three. The wide-eyed optimism of her youth was now tempered after she had worked many years in the criminal justice system. penurious	miserly.	adjective	Warren Buffett, famous multi-billionaire, still drives a cheap sedan, not because he is penurious, but because luxury cars are gaudy and impractical.
	highly perceptive.	adjective	Even the most percipient editor will make an occasional error when proofreading.
	bossy and domineering.	adjective	My sister used to peremptorily tell me to do the dishes, a chore I would either do perfunctorily or avoid doing altogether.
perfunctory	done routinely and with little interest or care.	adjective	The short film examines modern perfunctory cleaning rituals such as washing dishes, doing laundry and tooth-brushing.
peripatetic	traveling by foot.	adjective	Jim always preferred a peripatetic approach to discovering a city: he felt that he could see so many more details while walking.
	acutely insightful and wise.	adjective	
			Many modern observers regard Eisenhower as perspicacious, particularly in his accurate prediction of the growth of the military.
phantasmagorica	a illusive; unreal.	adjective	Those suffering from malaria fall into a feverish sleep, their world a whirligig of phantasmagoria; if they recover, they are unsure of what actually took place and what was simply a product of their febrile imaginations.
philistine	smug and ignorant towards artistic and cultural values.	adjective	Jane considered AI completely philistine, because he talked almost exclusive about video games; she was entirely unaware of how well read he really was. This word has other definitions but this is the most important one for the GRE.
phlegmatic	showing little emotion.	adjective	Arnold is truly noble, remaining reserved until an issue of significance arises, but Walter is simply phlegmatic: he doesn't have the energy or inclination to care about anything.
	-	-	
	trifling or petty (a person).	adjective	English teachers are notorious for being picayune; however, the English language is so nuanced and sophisticated that often such teachers are not being contrary but are only adhering to the rules.
pillory	ridicule or expose to public scorn.	verb	After the candidate confessed, the press of the opposing party took the opportunity to pillory him, printing editorials with the most blatantly exaggerated accusations. This word has other definitions but this is the most important one for the GRE.
pith	the most essential part of something.	noun	When Cynthia hears a speaker presenting a complex argument, she is always able to discard the irrelevant details and extract the pith of what the speaker is trying to convey. This word has other definitions but this is the most important one for the GRE.
		adjective	Some scouts initially doubted Pedroia because of his short stature, but he is a plucky player, surprising everyone with his boundless energy and fierce determination.
Pollyannaish	extremely optimistic.	adjective	Even in the midst of a lousy sales quarter, Debbie remained Pollyannaish, never losing her shrill voice and wide smile, even when prospective customers hung up on her.
ponderous	weighed-down; moving slowly.	adjective	Laden with 20 kilograms of college text books, the freshman moved ponderously across the campus.
	talk in a dogmatic and pompous manner.	verb	The vice-president would often pontificate about economic theory, as if no one else in the room were qualified to speak on the topic. This word has other definitions but this is the most important one for the GRE.
p			
portentous	ominously prophetic.	adjective	When the captain and more than half the officers were sick on the very first night of the voyage, many of the passengers felt this was portentous, but the rest of the voyage continued without any problems.
precipitate	hasty or rash.	adjective	Instead of conducting a thorough investigation after the city hall break-in, the governor acted precipitately, accusing his staff of aiding and abetting the criminals.
precipitate	to cause to happen.	verb	The government's mishandling the hurricane's aftermath precipitated a widespread outbreak of looting and other criminal activity.
p		noun	On the night that Lincoln would be fatally shot, his wife had a presentiment about going to Ford's Theater, but Lincoln persuaded her that everything would be fine.
primacy	the state of being first in importance.	noun	The primacy of Apple Computers is not guaranteed, as seen in the recent lawsuits and weak growth.
probity	integrity, strong moral principles.	noun	The ideal politician would have the probity to lead, but reality gravely falls short of the ideal of morally upright leaders.
		noun	When the Senator was asked about where the negotiations would lead, he said that any quess he could make would be an unreliable prognostication.
	boring verbosity.	noun	I loved my grandfalther dearly, but his prolixity would put me to sleep, regardless of the topic.
promulgate	state or announce.	verb	The President wanted to promulgate the success of the treaty negotiations, but he had to wait until Congress formally approved the agreement.
	to placate or appease	verb	The two sons, olving their angry father with cheesy neckties for Christmas, were hardly able to propitate him — the father already had a drawer full of ones he had never worn before or ever planned to.
	to produce or expenses.		
	3 3 3	adjective	Unlike the talented artists in his workshop, Paul had no such bent for the visual medium, so when it was time for him to make a stained glass painting, he ended up with a prosaic mosaic.
proscribe	command against.	verb	My doctor proscribes that I not eat donuts with chocolate sauce and hamburger patties for breakfast.
proselytize	convert to another religion, philosophy, or perspective.	verb	Lisa loves her Mac but says little about it; by contrast, Jake will proselytize, interrogating anyone with an Android about why she didn't purchase an iPhone.
	readily taking on different roles; versatile.	adjective	Peter Sellers was truly a protean actor –in Doctor Strangelove he played three very different roles: a jinopois spenaral, a sedale President and a deranged scientist.
provident	careful in regard to your own interests; providing carefully for	o adjective	In a move that hardly could be described as provident, Bert spend his entire savings on a luxurious cruise, knowing that other bills would come due a couple months later.
puerile	of or characteristic of a child; displaying or suggesting a lac	k adjective	Helen enjoyed blowing soap bubbles, but Jim regarded this as puerile, totally unworthy of a woman with a Ph.D.
	powerful.	adjective	Over the years of service, and outle to his surprise, he became a puissant advisor to the community.
	marked by precise accordance with details.	adjective	The colonel was so puncillious about enforcing requilations that men fell compelled to polish even the soles of their shoes.
pyrrhic	describing a victory that comes at such a great cost that the	e adjective	Bush's win in the 2000 election was in many ways a pyrrhic victory: the circumstances of his win alienated half of the U.S. population.
quail	draw back, as with fear or pain.	verb	Craig always claimed to be a fearless outdoorsman, but when the thunderstorm engulfed the valley, he quailed at the thought of leaving the safety of his cabin. This word has other definitions but this is the most important one for the GRE.
auislina	a traitor.	noun	History looks unfavorably upon quislings; indeed they are accorded about the same fondness as Nero-he who watched his city burn down while playing the violin.
quixotic	wildly idealistic; impractical.	adjective	For every thousand startups with quixotic plans to be the next big name in e-commerce, only a handful ever become profitable.
		-	
		noun	Jude is entertaining, but he is no raconteur: beyond the handful of amusing stories he has memorized, he has absolutely no spontaneous story-telling ability.
		noun	The new recruit was not bothered by the raillery, finding most of it light-hearted and good-natured.
rapprochement	the reestablishing of cordial relations.	noun	Although Ann hoped that her mother and her aunt would have a rapprochement, each one's bitter accusations against the other made any reconciliation unlikely.
rarefied	make more subtle or refined.	verb	Jack's vulgar jokes were not so successful in the rarefied enviroment of college professors. This word has other definitions but this is the most important one for the GRE.
reconitulation		noun	
	a summary (think of recap).	noun	Every point of the professors lesson was so clear that the students felt his concluding recapitulation was not necessary.
recrimination	a summary (think of recap). mutual accusations.	noun	The two brothers sat and cried, pointing fingers and making elaborate recriminations of the other's guilt.
recrimination recrudesce	a summary (think of recap). mutual accusations. to break out or happen again.	noun verb	The two brothers sat and cried, pointing fingers and making elaborate recriminations of the other's guilt. After years of gamblers anonymous, Tony thought he'd broken his compulsive slot machine playing, but it took only one trip to the Atlantic City for a full recrudescence—he lost \$5k on the one armed bandit.
recrimination recrudesce	a summary (think of recap). mutual accusations.	noun	The two brothers sat and cried, pointing fingers and making elaborate recriminations of the other's guilt.
recrimination recrudesce redoubtable	a summary (think of recap). mutual accusations. to break out or happen again.	noun verb	The fivo brothers sat and cried, pointing fingers and making elaborate recriminations of the other's guilt. After years of gambiers and anonymous, Tony thought he'd broken his compulsive slot machine playing, but it took only one trip to the Atlantic City for a full recrudescence—he lost \$\$\text{Sk}\$ on the one armed bandit. On television between 100 kb that falls, but when you stand in front of a seven-foot tall NBA player, he is truly redoubtable.

trenchant	characterized by or full of force and vigor; having keenness	adjective	Jill presented a rather superficial treatment of sales in Asia, but her trenchant analysis of sales in Europe inspired a number of insights into how to proceed in that market.
truculence	defiant aggressiveness.	noun	When the boss confronted Aaron about his earlier remarks, Aaron responded with utter truculence, simply throwing a glass of water in the boss' face and walking away.
truculent	having a fierce, savage nature.	adjective	Standing in line for six hours, she became progressively truculent, yelling at DMV employees and elbowing other people waiting in line.
turgid	(of language) pompous and tedious.	adjective	The amount of GRE vocabulary he used increased with his years—by the time he was 60, his novels were so turgid that even his diehard fans refused to read them.
turpitude	depravity; a depraved act.	noun	During his reign, Caligula indulged in unspeakable sexual practices, so it not surprising that he will forever be remembered for his turpitude.
tyro	someone new to a field or activity.	noun	All great writers, athletes, and artists were lyros at one time-unknown, clumsy, and unskilled with much to learn.
umbrage	a feeling of anger caused by being offended.	noun	Since he was so in love with her, he took umbrage at her comments, even though she had only meant to gently tease him.
unassailable	immune to attack; without flaws.	adjective	Professor Williams is so self-assured as to seem arrogant, presenting each and every opinion as an unassailable fact.
unflappable	not easily perturbed or excited or upset; marked by extreme	adjective	The house shook and the ground quaked, but my dad was unflappable and comforted the family.
unforthcoming	uncooperative, not willing to give up information.	adjective	The teacher demanded to know who broke the window while he was out of the room, but the students understandably were unforthcoming.
unimpeachable	free of guilt; not subject to blame; beyond doubt or reproach	adjective	After his long and unimpeachable service to the company, Sharat felt that a gold watch was a slap in the face rather than an honor.
unprepossessin	ng creating an unfavorable or neutral first impression.	adjective	World leaders coming to meet Gandhi would expect a towering sage, and often would be surprised by the unprepossessing little man dressed only in a loincloth and shawl.
unpropitious	(of a circumstance) with little chance of success.	adjective	With only a bottle of water and a sandwich, the hikers faced an unpropitious task: ascending a huge mountain that took most two days to climb.
unstinting	very generous.	adjective	Helen is unstituting with her time, often spending hours at the house of a sick friend.
untenable	(of theories etc) incapable of being defended or justified.	adjective	With the combination of Kepler's brilliant theories and Galileo's telescopic observations, the old geocentric theory became untenable to most of the educated people in Europe.
untoward	unfavorable; inconvenient.	adjective	Some professors find teaching untoward as having to prepare for lectures and conduct office hours prevents them from focusing on their research.
untrammeled	not confined or limited.	adjective	The whole notion of living untrammeled inspired the American Revolution and was enshrined in the Declaration of Independence and the Constitution.
unviable	not able to work, survive, or succeed (also spelled inviable).	adjective	The plan was obviously unviable considering that it lead to complete environmental destruction in the river valley.
vaunted	highly or widely praised or boasted about.	adjective	For years, they had heard of New York City's vaunted skyline, and when they finally saw it, the spectacular cityscape did not disappoint them in the least.
venial	easily excused or forgiven; pardonable.	adjective	His traffic violations ran the gamut from the venial to the egregious—on one occasion he simply did not come to a complete stop; another time he tried to escape across state lines at speeds in excess of 140 mph.
verisimilitude	the appearance of truth.	noun	All bad novels are bad for numerous reasons; all good novels are good for their verisimilitude of reality, placing the readers in a world that resembles the one they know.
veritable	truthfully, without a doubt.	adjective	Frank is a veritable life-saver - last year, on two different occasions, he revived people using CPR.
vicissitude	change in one"s circumstances, usually for the worse.	noun	Even great rulers have their vicissitudesmassive kingdoms have diminished overnight, and once beloved kings have faced the scorn of angry masses.
vitriol	abusive or venomous language used to express blame or b	noun	
vitriolic	harsh or corrosive in tone.	adjective	While the teacher was more moderate in her criticism of the other student's papers, she was vitriolic toward Peter's paper, casting every flaw in the harshest light.
vituperate	to criticize harshly; to berate.	adjective	Jason had dealt with disciplinarians before, but nothing prepared him for the first week of boot camp, as drill sergeants vituperated him for petty oversights such as forgetting to double knot the laces on his boots.
zeitgeist	spirit of the times.	noun	Each decade has its own zeitgeistthe 1990's was a prosperous time in which the promise of the American Dream never seemed more palpable.
